LEVEL 2 - THE STREET

The street level of NINJAGO® City boasts more affordable shops and restaurants and is always crowded with shoppers and tourists. It is the place to go, especially on weekends, when everyone from bargain hunters to upscale shoppers can be found going from store to store.

One of the main draws is Crab Kitchen, a reasonably priced and well-known seafood restaurant. All the food is made fresh, using crabs caught in the waters off the city. Crab Kitchen is in a perpetual rivalry with the sushi restaurant on the upper level, so going into one and saying you really like the other is a bad idea.

After you have finished eating, you can take a walk over to the comic store to pick up the latest adventures of your favorite heroes and all sorts of ninja memorabilia. There is also a high-fashion shop here, offering the very latest in ninja team gear for their fans.

Once you are done shopping, you can pick up some extra cash at the ATM and then check out the movie poster stand to see what is playing.

MINIFIGURES

SEVERIN BLACK

Known for his delicious dishes, this chef is also famous for his rivalry with his brother, a well-known sushi chef. You can often find him at the docks, nagging the fishermen to make sure he gets the best crabs and his brother gets last week's fish.

MOTHER DOOMSDAY

Mother Doomsday is the owner of Doomsday Comix and a big fan of the ninja. He is usually busy running the store or at comic conventions, but always finds time to follow the exploits of his favorite ninja heroes.

TOMMY

He is the biggest fan of the Green Ninja anywhere! When he is not in school, you can find him drawing Green Ninja comics, writing about the hero on his blog, and uploading Green Ninja memes.

GUY

A successful executive, Guy has lots of money to spend on whatever he wants. But you will not catch him on the Old World level. He prefers to shop in the pricier stores higher up.

JUNO

She is a fashion designer and she is all about looking her best. She loves to shop for clothes, but does not have very good luck downtown. Something is always messing up her outfit!
